FORBES GLOBAL 2000 COMPANIES DASHBOARD 2026

Comprehensive Analysis of the World's Top 2000 Public Companies by Sales, Profit, Assets and Market Value

The Forbes Global 2000 Companies 2026 analysis highlights strong leadership across industries and regions. NIVIDA leads in market value, Amazon records the highest sales, Alphabet earns the highest profit, and ICBC has the largest assets. The Banking industry dominates company count, sales, and profit, while Semiconductors lead in market value. Geographically Beijing, Santa Clara, and Tokyo emerge as major global business hubs, reflecting the concentration of world-leading companies.
